CARMEN GOETZ

Warman, SK | (306) 880-4773 | carmen.b.goetz@gmail.com | http://carmengoetz.ca

OBJECTIVE

Looking for Job opportunities in Web Development to utilize my training in Computer Systems Technology at SaskPolytech and build my career.

SKILLS & ABILITIES

I have experience with programming languages HTML, CSS, JavaScript, JQuery, JSON, PHP, MySQL, Java, C#, C, Xamarin and more.

I work with version control services, GitHub and Bit Bucket. My GitHub is https://github.com/carmengoetz

I received training in Microsoft Word, Excel, Access, SharePoint, and PowerPoint and utilized these programs regularly.

I utilize test-driven programming, and agile software development

I work independently and with a team and can work well in both types of environments.

I am able to work with Windows, Linux, and MacOS operating systems.

I have received education in computer networking, security, and hardware.

VOLUNTEER EXPERIENCE

Facilitator, *Canada Learning Code*

· I ran a workshop for a Kids Learning Code workshop in Game making with Scratch. I gave a presentation, with examples and exercises, and helped the children learn how to use Scratch and understand basic programming functions.

Mentor, *Canada Learning Code*

· Supported up to 4 learners, adults and children, throughout a day long workshop. I was responsible for answering questions they had, and helped them working through exercises. I have mentored HTML & CSS.

WORK EXPERIENCE

Sales and Service Representative, *SaskTel*

June 2013 - Present

· Working in a large call centre in a fast-paced sales department

· Meeting and exceeding quarterly sales targets

· Navigating complex computer programs

· Implementing first call resolution

Sales Associate, Gap *Factory*

November 2012 - January 2015

· Worked as a team in a diverse environment

· Assisted customers with their needs

Front Cashier, The *Strawberry Ranch*

July 2012 - September 2012

· Worked independently while answering calls, and helping customers

· Prepared produce for sale, and filled customer orders

Cashier, Dutch *Growers*

April 2012 - June 2012
